## PIZZA

Our dough is made from Caputo '00' flour with our own beer in the mix then stretched to order resulting in a crisp pizza with an irresistible crust and a unique depth of flavour.

We do offer non-gluten containing pizza bases as an alternative to our homemade bases, however please note that though these contain no gluten, they are prepared in the same oven, and as such, we can not guarantee that no gluten will be present in the finished dish. These are not suitable for celiacs. Please let us know of any allergies before ordering.
