

# SHILLING BREWING Co.

---

## COVID Policy

We are asking customers not to enter our business if they are experiencing the following symptoms;

**HIGH TEMPERATURE**

**NEW, CONTINUOUS COUGH**

**LOSS OR CHANGE TO YOUR SENSE OF TASTE OR SMELL**

**SHORTNESS OF BREATH**

---

Help stop the spread of Covid-19 and keep our staff and customers safe we have taken various measures to ensure the highest health and safety standards for you and our staff therefore:

- Our team will wash their hands and clean surfaces & touch points at regular intervals throughout the day
- We will only be allowing a limited number of customers on to the premises at any one time and please adhere to current Government guidelines regarding the number of households that can sit together, currently 6 people from a maximum of 2 households
  - We are sanitising the business at the beginning and end of every day
  - We are asking all customers to maintain a safe social distance
  - We are accepting cashless payments only

Please note that Shilling Brewing Company may have additional guidance which will clearly be displayed at the entrance.

---

---

## **Track & Trace**

We are doing our bit to support track and trace so all customers will be required to provide their contact details on arrival at the unit and re-confirm we can only accommodate groups of up to six people from a maximum of two households.

Please note that failure to observe all the safety measures may result in service not being provided.

If a case is reported in this venue, one of the NHS trackers will contact you ask you to do a test. Your data will be deleted after 21 days and you won't receive any extra contact from us by registering for this service.

---

## **Government Guidelines**

For additional information and government guidelines please view;
