

# PIZZA

*Deck not your halls with holly, but your pizzas with your favourite festive toppings; pigs in blankets, roast turkey, maybe even a cranberry dip, just no pineapple!*

*We do offer non-gluten containing pizza bases as an alternative to our homemade bases, however please note that though these contain no gluten, they are prepared in the same oven, and as such, we cannot guarantee that no gluten will be present in the finished dish. These are not suitable for celiacs. Please let us know of any allergies before ordering.*
